Subject index*

A

Abdominal injuries
Improperly positioned passenger-restraint systems as associated mechanisms of injury in motor vehicular collisions (Turnes). 1991;17:373-9

Abdominal pain
A 36-year-old woman with a three-week history of epigastric pain, nausea, and vomiting (Luciani-McGillivray). 1991;17:53-4

Abscess
A 57-year-old man with muscle spasms (Somerson). 1991;17:257-8

Abstracts
Research abstracts. 1991;17:50-2, 113-5, 252-4, 341-2, 428-31

Accident prevention
Injury prevention: from outrage to action (Southard). 1991;17:178-80

Accidents
Pediatric trauma patients: differences and implications for emergency nurses (Semonin-Holleran). 1991;17:24-33
Preparing for pediatric emergencies (Bubulka and Cipolla). 1991;17:236-40

Accidents, traffic
Immobilizing children in car safety seats—why, when, and how (Widner-Kolberg). 1991;17:427-8
Improperly positioned passenger-restraint systems as associated mechanisms of injury in motor vehicular collisions (Turnes). 1991;17:373-9

Acquired immunodeficiency syndrome
Acquired immune deficiency syndrome: ten years later (Danis). 1991;17:419-23
ED response to the increased incidence of tuberculosis (Danis). 1991;17:244-5
A female patient with cocaine toxicity, acquired immune deficiency syndrome, and disseminated intravascular coagulopathy (Edwards). 1991;17:70-2

Acyclovir
Continuous acyclovir (Mollentine). 1991;17:413

Adaptation, psychological
Blaming the victim: complex (nonlinear) patterns of causal attribution by nurses in response to vignettes of a patient assaulting a nurse (Lanza and Carifio). 1991;17:299-309
The extent, nature, and response to victimization of emergency nurses in Pennsylvania (Mahoney). 1991;17:282-94
A qualitative investigation of the use of humor by emergency personnel as a strategy for coping with stress (Rosenberg). 1991;17:197-203

Adenosine
A 21-year-old woman with rapid atrial fibrillation after adenosine administration (Meurer). 1991;17:135-6
A 49-year-old man with successful conversion of paroxysmal supraventricular tachycardia after adenosine administration (Gough and Gough). 1991;17:132-4

Advanced cardiac life support; *see* **Life support care**

Aged
A geriatric nursing assessment form for the emergency department (Lukacs). 1991;17:86-9

AIDS; *see* **Acquired immunodeficiency syndrome**

Aircraft
Dealing with violent patients in flight (Kennedy). 1991;17:295-8

Alcohol withdrawal seizures
Phenytoin ineffective for prevention of recurrent alcohol-withdrawal seizures (Mollentine). 1991;17:414

Alcoholic intoxication
Injury prevention: from outrage to action (Southard). 1991;17:178-80

American Red Cross; *see* **Red Cross**

Anaphylaxis
Near death of a woman stung by red imported fire ants: management of anaphylaxis (Owens et al). 1991;17:156-61

Anesthesia, intravenous
Administration of intravenous conscious sedation in the emergency department (Gagnon). 1991;17:123 (Pres. message)

Aneurysm
A 36-year-old woman with a three-week history of epigastric pain, nausea, and vomiting (Luciani-McGillivray). 1991;17:53-4

Ants
Near death of a woman stung by red imported fire ants: management of anaphylaxis (Owens et al). 1991;17:156-61

Aortic diseases
Chest pain and syncope in a 47-year-old man (Worley). 1991;17:348-50

Arterial catheterization; *see* **Catheterization**

Arterial lines; *see* **Catheters, indwelling**

Atrial fibrillation
A 21-year-old woman with rapid atrial fibrillation after adenosine administration (Meurer). 1991;17:135-6

Azotemia; *see* **Uremia**

B

Baccalaureate program; *see* **Education, nursing**

Bacteremia; *see* **Septicemia**

Blaming victim
Blaming the victim: complex (nonlinear) patterns of causal attribution by nurses in response to vignettes of a patient assaulting a nurse (Lanza and Carifio). 1991;17:299-309

Blindness
On walking into walls and finding windows (Jezierski). 1991;17:55-7

Blood
Rapid admixture blood warming (Judkins and Iserson). 1991;17:146-51

Blood banks
The American Red Cross: a nursing-oriented overview of services (Hanson). 1991;17:390-4

Blood coagulation disorders
Timber rattlesnake bite to the hand with secondary coagulopathy and serum sickness (Weaver et al). 1991;17:193-6

Blood pressure monitors
Arterial catheterization in the emergency department (Kruse and Morgan). 1991;17:90-7

Blood transfusion
Bacteremia associated with red blood cell transfusion (Danis). 1991;17:335

Book reviews
Book reviews. 1991;17:34-6, 98-9, 165-6, 232-4, 322-3, 408-9

C

Car seats; *see* **Infant equipment**

Carcinoma, squamous cell
A 39-year-old man with acute hemolytic crisis secondary to intravenous injection of hydrogen peroxide (Jordan et al). 1991;17:8-10

Cardiac life support; *see* **Life support care**

Case review
Case review. 1991;17:8-10, 70-2, 132-6, 193-6, 279-81, 370-2

*February, pp 1-60; April, pp 61-122; June, pp 123-186; August, pp 187-262; October, pp 263-354; December, pp 355-458.

Catheterization
Arterial catheterization in the emergency department (Kruse and Morgan). 1991;17:90-7
Catheters, indwelling
Arterial catheterization in the emergency department (Kruse and Morgan). 1991;17:90-7
Heparin locks for emergency department patients (Weybright et al). 1991;17:11-4
Starting intravenous lines in children: tips for success (Campbell and Jackson). 1991;17:177-8
Starting intravenous lines in children (O'Brien). 1991;17:225-31
CEN review questions
CEN review questions. 1991;17:234-6, 324-5, 409-11
Certification
Florida Pediatric Emergency Nursing Education project (Taylor and Soud). 1991;17:152-5
The leading edge of nursing specialty certification renewal programs (Nuccio). 1991;17:360-1 (Guest editorial)
Program planning for the Certified Emergency Nursing review course (Albert and Deal). 1991;17:108-11
Certified Emergency Nursing examination
Program planning for the Certified Emergency Nursing review course (Albert and Deal). 1991;17:108-11
Cervical neoplasms
Forms, forms, and more forms (Phillips). 1991;17:415
Cesarean section
Cesarean section (Manley). 1991;17:442
Chest pain
Chest pain and syncope in a 47-year-old man (Worley). 1991;17:348-50
Chickenpox
Diphenhydramine toxicity in pediatric patients with chickenpox (Mollentine). 1991;17:414
Child
Diphenhydramine toxicity in pediatric patients with chickenpox (Mollentine). 1991;17:414
Florida Pediatric Emergency Nursing Education project (Taylor and Soud). 1991;17:152-5
How to deal with children in the emergency department (Thomas). 1991;17:49-50
Immobilizing children in car safety seats—why, when, and how (Widner-Kolberg). 1991;17:427-8
Innovative assessment of children's pain (Mackey and Jordan-Marsh). 1991;17:250-1
The Pediatric Committee: our dream is finally a reality (Thomas). 1991;17:358-9 (Guest editorial)
Pediatric emergency department death (George and Quattrone). 1991;17:102-3
Pediatric trauma patients: differences and implications for emergency nurses (Semonin-Holleran). 1991;17:24-33
Preparing for pediatric emergencies (Bubulka and Cipolla). 1991;17:236-40
Resuscitation tapes and other strategies for pediatric cardiac arrests (Fredrickson). 1991;17:112-3
Starting intravenous lines in children: tips for success (Campbell and Jackson). 1991;17:177-8
Starting intravenous lines in children (O'Brien). 1991;17:225-31
A 3-year-old with spinal cord injury without radiographic abnormality (SCIWORA) (Athey). 1991;17:380-5
Ventricular fibrillation in a 2-month-old infant: a pediatric case study and review of lessons learned (Somes). 1991;17:215-9
Violence in a pediatric emergency department: lessons learned from one experience (Spittler). 1991;17:339-40
Cholera
Cholera (Danis). 1991;17:335
Cimetidine
Cimetidine for acute urticaria (Mollentine). 1991;17:330
Clinical coordinator
Implementing a new clinical coordinator role to facilitate primary care: one emergency department's experience (McCarthy). 1991;17:204-11
Clinical notebook
Clinical notebook. 1991;17:37-40, 99-101, 236-40, 326-9, 412-3
Coagulopathy; *see* **Blood coagulation disorders**
Cocaine
A female patient with cocaine toxicity, acquired immune deficiency syndrome, and disseminated intravascular coagulopathy (Edwards). 1991;17:70-2
Code orange
Unusual incident: code orange (Weaver). 1991;17:354
Coma
A 19-year-old woman, four months' pregnant and with a history of headache (Caruso). 1991;17:439-40
Combined Omnibus Budget Reconciliation Act
Pre-COBRA days (George and Quattrone). 1991;17:416
Commitment
The importance of commitment (Gagnon). 1991;17:357 (Pres. message)
Communication
Customer service: Is the answer better communication? (Gagnon). 1991;17:63-4 (Pres. message)
Implementing a new clinical coordinator role to facilitate primary care: one emergency department's experience (McCarthy). 1991;17:204-11
Nursing diagnosis: communication, impaired (Curry). 1991;17:124 (Guest editorial)
Treating nursing's response to nursing diagnosis (Kirsch). 1991;17:125-6 (Guest editorial)
Compliance; *see* **Patient compliance**
Conscious sedation, intravenous; *see* **Hypnotics and sedatives**
Consumer satisfaction
Customer service: Is the answer better communication? (Gagnon). 1991;17:63-4 (Pres. message)
Copin[illegible]; *see* **Adaptation, psychological**
Coronary vessels, pathology
Wellens' syndrome in the emergency department (Kahn and Keller). 1991;17:80-5
Corrections
Managers ask and answer. (1991;17:168-9). 1991;17:8A
A 23-year-old man with an unusual impalement injury (Shagoury and Fazio) (1990;16:379-81). 1991;17:79
Correspondence
Appropriate dosage of acetominophen for infants (Temple) (Letter); (Thomas) (Reply). 1991;17:127
Blame the victim? (Bracken). 1991;17:130-1
Case report of adenosine used for a patient with paroxysmal supraventricular tachycardia (Cheek). 1991;17:364-5
A "Consumer's Report" for medical devices (Nobel). 1991;17:274-5
Differences and similarities in practice between the United States and the United Kingdom (Purnell). 1991;17:129
A different view of diploma nursing issue (Hammer). 1991;17:131
ED codes: keep the family out (Osuagwu) (Letter); (Martin) (Reply); (Editor) (Reply). 1991;17:363-4
ED physician staffing guidelines erroneously attributed to Joint Commission on Accreditation of Healthcare Organizations (JCAHO) (Patterson) (Letter); (Stephens) (Reply); (Frank) (Reply). 1991;17:362-3
Emergency nurse develops coloring book and encourages others to "try their wings" (Stephan). 1991;17:132

Correspondence—Cont'd
Everyone deserves a competent, compassionate nurse at the bedside (Lilley). 1991;17:129
A flight nurse's dilemma (Wilbert). 1991;17:271-3
Guest editorial on nursing diagnosis applauded (Todd). 1991; 17:365-6
I am an emergency nurse: twelve hours in the pediatric emergency department (Dalrymple). 1991;17:369
Ideas for ED design requested (Wachsmuth). 1991;17:128
Information about SANE program is sought (Tifft) (Letter); (Lenehan) (Reply). 1991;17:190
Information on CAST course sought (LaMarche) (Letter); (Brummer) (Reply). 1991;17:276
Information sought on emergency nurse practitioner programs (Pardee). 1991;17:65
Invasive pressure monitoring for diagnosis of compartment syndrome (Kruse). 1991;17:69
Ipecac contraindicated with overdoses of seizure-inducing drugs (Hollinger). 1991;17:128
Maintaining nursing autonomy: one emergency department's success (Fazio and O'Connor). 1991;17:6
Methods for obtaining patient follow-up information requested (Lutin). 1991;17:127-8
More applause for guest editorial on nursing diagnosis (Wiebe). 1991;17:366
More on nasal vs. oral suctioning in newborn infants (Harris). 1991;17:6
More on tick bites (Ferrara). 1991;17:277
Note from a Desert Storm nurse (Wolf). 1991;17:128-9
Nurses in violence-prone emergency department seek solutions. 1991;17:274
Nursing process-based documentation prototypes sought (Cowan). 1991;17:277
Open-classroom, self-paced in-service idea for infrequently used ED equipment (Stickels). 1991;17:275-6
Physician-authored articles challenged (Clark) (Letter); (Lenehan) (Reply). 1991;17:65-7
A process for subsidizing the Trauma Nursing Core Course (Crawford and Somes). 1991;17:191-2
Promoting a positive image of emergency nursing within the hospital (Miller). 1991;17:7
Pyridoxine is vitamin B_6, not vitamin B_{12} (Evans). 1991;17:128
Questions about hypothermia: speed of rewarming and use of microwave ovens to rewarm IV fluids (Berman) (Letter); (Michal) (Reply). 1991;17:68-9
Reader compiling information on time spent on sick-call coverage (Del-Plato). 1991;17:65
Reader suggests replacing JOURNAL's plastic covering (Hennessy) (Letter); (Smart) (Reply). 1991;17:65
Rethinking traditional thoughts (Martin). 1991;17:67-8
Rural ED staff also at risk (Encinias). 1991;17:271
Sexual Assault Nurse Examiners' services offered in many California counties (Arndt). 1991;17:190
Should there be a written policy on length of patient wait before discharge after administration of medications? (Driscoll) (Letter); (Lenehan) (Reply). 1991;17:190
Similar packaging for heparin, potassium chloride, and 1% lidocaine by one drug manufacturer causes concern (Hanisak) (Letter); (Shaw) (Reply). 1991;17:367-8
A 6-month-old paraplegic infant with spinal cord injury without radiologic abnormalities (SCIWORA) (Kinder). 1991;17: 368-9
Systems for dealing with repeat patients sought (Taylor). 1991; 17:129
Telling the patient about a terminal diagnosis: Is it the decision of the family or the ED staff? (Luciani-McGillivray). 1991;17:366-7
Thanks for help with charting dilemma (Buhr). 1991;17:6-7
Trauma Notebook column inspires efforts to change legislation (Hedgecoe). 1991;17:278
Trauma research assistant complains of male bashing (Talenti) (Letter); (Southard) (Reply); (Jezierski) (Reply). 1991;17:365
Usefulness of nursing diagnosis questioned (Dragotta). 1991; 17:277
Violence in the emergency department: California's response to tragedy (Sweet). 1991;17:273-4
Crisis intervention
A hospital-wide approach to crisis control: one inner-city hospital's experience (Martin et al). 1991;17:395-401
Crotalid venoms
Timber rattlesnake bite to the hand with secondary coagulopathy and serum sickness (Weaver et al). 1991;17:193-6
Customer service; *see* **Consumer satisfaction**

D

Death
I didn't feel very tough (Perkins). 1991;17:261-2
The last tear (Alton). 1991;17:58-60
Music? (Cheek). 1991;17:57-8
Pediatric emergency department death (George and Quattrone). 1991;17:102-3
The worst thing (Gabbert). 1991;17:185-6
Dehydration
Oral rehydration therapy: the best response to diarrheal dehydration (The National Oral Rehydration Therapy Project). 1991;17:99-101
Delivery of health care
Act now to implement nursing's agenda for health care reform (Gagnon). 1991;17:189 (Pres. message)
Diabetes mellitus, insulin-dependent
Emergency department care of the patient with an insulin pump (McCrea and McCrea). 1991;17:220-4
Diarrhea
Oral rehydration therapy: the best response to diarrheal dehydration (The National Oral Rehydration Therapy Project). 1991;17:99-101
Digibind
Digibind for digoxin intoxication (Mollentine). 1991;17:330-1
Digoxin
Digibind for digoxin intoxication (Mollentine). 1991;17:330-1
Diltiazem
Diltiazem in the management of thyrotoxicosis (Mollentine). 1991;17:331
Diphenhydramine
Diphenhydramine toxicity in pediatric patients with chickenpox (Mollentine). 1991;17:414
Disasters
The American Red Cross: a nursing-oriented overview of services (Hanson). 1991;17:390-4
Response of the New Mexico Disaster Medical Assistance Team in St. Croix after Hurricane Hugo (Lewis-Rakestraw). 1991; 17:162-4
Dissection
Chest pain and syncope in a 47-year-old man (Worley). 1991; 17:348-50
Disseminated intravascular coagulation
A female patient with cocaine toxicity, acquired immune deficiency syndrome, and disseminated intravascular coagulopathy (Edwards). 1991;17:70-2
Dizziness
A 28-year-old man with weakness, dizziness, and sensation of bounding heart rate (Ferrara). 1991;17:180-2
Documentation
Development of a nursing process–based documentation system (Gross and Andrea). 1991;17:173-6

Drug update
Drug update. 1991;17:330-1, 413-4
Drunk driving; *see* **Alcoholic intoxication**

Genital herpes; *see* **Herpes genitalis**
Geriatric nursing
A geriatric nursing assessment form for the emergency department (Lukacs). 1991;17:86-9
Globalization
Global collegiality in emergency nursing (Gagnon). 1991;17:3 (Pres. message)
Grief
The worst thing (Gabbert). 1991;17:185-6
Guards; *see* **Security measures**
Guest editorials
Guest editorials. 1991;17:4-5, 124-6, 266-70, 358-61
Gunshot wounds; *see* **Wounds, gunshot**

H

Haemophilus
Haemophilus b conjugate vaccine (Danis). 1991;17:107-8
Hand
Timber rattlesnake bite to the hand with secondary coagulopathy and serum sickness (Weaver et al). 1991;17:193-6
Hanging
Near-hanging injury: two case studies and an overview (Brown and Espinosa). 1991;17:386-9
Head injuries
An open letter to emergency nurses from a survivor of a major head injury (Caballero). 1991;17:259-60
Headache
A 19-year-old woman, four months' pregnant and with a history of headache (Caruso). 1991;17:439-40
Health care reforms; *see* **Delivery of health care**
Heart
Mnemonics for cardiac care (Halpern). 1991;17:412-3
Heart arrest
Resuscitation tapes and other strategies for pediatric cardiac arrests (Fredrickson). 1991;17:112-3
Ventricular fibrillation in a 2-month-old infant: a pediatric case study and review of lessons learned (Somes). 1991;17:215-9
Heart diseases
Wellens' syndrome in the emergency department (Kahn and Keller). 1991;17:80-5
Heart rate
A 28-year-old man with weakness, dizziness, and sensation of bounding heart rate (Ferrara). 1991;17:180-2
Hemodynamics
Arterial catheterization in the emergency department (Kruse and Morgan). 1991;17:90-7
Hemolytic crisis
A 39-year-old man with acute hemolytic crisis secondary to intravenous injection of hydrogen peroxide (Jordan et al). 1991;17:8-10
Hemorrhage
Creating a patient care outline: vaginal bleeding (Wachsmuth). 1991;17:343-6
Patient teaching in the emergency department: vaginal bleeding during early pregnancy (Stockman). 1991;17:424-6
Heparin lock
Heparin locks for emergency department patients (Weybright et al). 1991;17:11-4
Herpes genitalis
Continuous acyclovir (Mollentine). 1991;17:413
HIV
Acquired immune deficiency syndrome: ten years later (Danis). 1991;17:419-23
ED response to the increased incidence of tuberculosis (Danis). 1991;17:244-5
Mandatory testing and disclosure of health care workers' HIV status offers patients little protection (Lenehan). 1991;17:355-6 (Editorial)
Homicide
Occupational homicides among women (Danis). 1991;17:45

Hostage
Hostage-situation policy statement for the emergency department (Powell). 1991;17:313-5
Human immunodeficiency virus; *see* **HIV**
Humor; *see* **Wit and humor**
Hurricane Hugo
Response of the New Mexico Disaster Medical Assistance Team in St. Croix after Hurricane Hugo (Lewis-Rakestraw). 1991; 17:162-4
Hydrogen peroxide
A 39-year-old man with acute hemolytic crisis secondary to intravenous injection of hydrogen peroxide (Jordan et al). 1991; 17:8-10
Hydroxybutyrate
Illicit use of γ-hydroxybutyrate (Danis). 1991;17:172
Hypersensitivity
Near death of a woman stung by red imported fire ants: management of anaphylaxis (Owens et al). 1991;17:156-61
Hypnotics and sedatives
Administration of intravenous conscious sedation in the emergency department (Gagnon). 1991;17:123 (Pres. message)
Hypothermia
Rapid admixture blood warming (Judkins and Iserson). 1991;17: 146-51
Hysteria
A 19-year-old woman, four months' pregnant and with a history of headache (Caruso). 1991;17:439-40

I

Impetigo
Treatment of impetigo (Mollentine). 1991;17:413
Impressions
I didn't feel very tough (Perkins). 1991;17:261-2
The last tear (Alton). 1991;17:58-60
Music? (Cheek). 1991;17:57-8
Official explanations of emergency nursing (Curry). 1991; 17:120-2
risk (risk), n. hazard; danger; peril; exposure to harm (Mitchum). 1991;17:353
Unusual incident: code orange (Weaver). 1991;17:354
What we do (Daniels). 1991;17:441-2
The worst thing (Gabbert). 1991;17:185-6
Infant
Ventricular fibrillation in a 2-month-old infant: a pediatric case study and review of lessons learned (Somes). 1991;17:215-9
Infant equipment
Immobilizing children in car safety seats—why, when, and how (Widner-Kolberg). 1991;17:427-8
Infection
A two-part quality assurance project addressing infection rates of wounds sutured in the emergency department (Connell). 1991;17:212-4
Infection control
Mandatory testing and disclosure of health care workers' HIV status offers patients little protection (Lenehan). 1991;17:355-6 (Editorial)
Infusions, intravenous
Heparin locks for emergency department patients (Weybright et al). 1991;17:11-4
Starting intravenous lines in children: tips for success (Campbell and Jackson). 1991;17:177-8
Starting intravenous lines in children (O'Brien). 1991;17:225-31
Injections, intravenous
A 39-year-old man with acute hemolytic crisis secondary to intravenous injection of hydrogen peroxide (Jordan et al). 1991; 17:8-10
Injury prevention; *see* **Accident prevention**
Insect bites and stings
Near death of a woman stung by red imported fire ants: management of anaphylaxis (Owens et al). 1991;17:156-61
Insulin infusion systems
Emergency department care of the patient with an insulin pump (McCrea and McCrea). 1991;17:220-4
International cooperation
Global collegiality in emergency nursing (Gagnon). 1991;17:3 (Pres. message)

J

Job description
Implementing a new clinical coordinator role to facilitate primary care: one emergency department's experience (McCarthy). 1991;17:204-11
Jurisprudence
Anything can happen! (George and Quattrone). 1991;17:241
The golden hour: trauma center standards in nontrauma-center emergency departments (George and Quattrone). 1991;17:332
Missed myocardial infarction: Violation of federal law? (Quattrone). 1991;17:40-2
Pediatric emergency department death (George and Quattrone). 1991;17:102-3
Poor emergency department record keeping may hamper legal defense (George and Quattrone). 1991;17:167
Pre-COBRA days (George and Quattrone). 1991;17:416

L

Law; *see* **Jurisprudence**
Law and emergency nurse
Law and the emergency nurse. 1991;17: 40-2, 102-3, 167, 241, 332, 416
Letters
Appropriate dosage of acetominophen for infants (Temple) (Letter); (Thomas) (Reply). 1991;17:127
Blame the victim? (Bracken). 1991;17:130-1
Case report of adenosine used for a patient with paroxysmal supraventricular tachycardia (Cheek). 1991;17:364-5
A "Consumer's Report" for medical devices (Nobel). 1991; 17:274-5
Differences and similarities in practice between the United States and the United Kingdom (Purnell). 1991;17:129
A different view of diploma nursing issue (Hammer). 1991;17:131
ED codes: keep the family out (Osuagwu) (Letter); (Martin) (Reply); (Editor) (Reply). 1991;17:363-4
ED physician staffing guidelines erroneously attributed to Joint Commission on Accreditation of Healthcare Organizations (JCAHO) (Patterson) (Letter); (Stephens) (Reply); (Frank) (Reply). 1991;17:362-3
Emergency nurse develops coloring book and encourages others to "try their wings" (Stephan). 1991;17:132
Everyone deserves a competent, compassionate nurse at the bedside (Lilley). 1991;17:129
A flight nurse's dilemma (Wilbert). 1991;17:271-3
Guest editorial on nursing diagnosis applauded (Todd). 1991; 17:365-6
I am an emergency nurse: twelve hours in the pediatric emergency department (Dalrymple). 1991;17:369
Ideas for ED design requested (Wachsmuth). 1991;17:128
Information about SANE program is sought (Tifft) (Letter); (Lenehan) (Reply). 1991;17:190
Information on CAST course sought (LaMarche) (Letter); (Brummer) (Reply). 1991;17:276

Letters—Cont'd
Information sought on emergency nurse practitioner programs (Pardee). 1991;17:65
Invasive pressure monitoring for diagnosis of compartment syndrome (Kruse). 1991;17:69
Ipecac contraindicated with overdoses of seizure-inducing drugs (Hollinger). 1991;17:128
Maintaining nursing autonomy: one emergency department's success (Fazio and O'Connor). 1991;17:6
Methods for obtaining patient follow-up information requested (Lutin). 1991;17:127-8
More applause for guest editorial on nursing diagnosis (Wiebe). 1991;17:366
More on nasal vs. oral suctioning in newborn infants (Harris). 1991;17:6
More on tick bites (Ferrara). 1991;17:277
Note from a Desert Storm nurse (Wolf). 1991;17:128-9
Nurses in violence-prone emergency department seek solutions. 1991;17:274
Nursing process-based documentation prototypes sought (Cowan). 1991;17:277
Open-classroom, self-paced in-service idea for infrequently used ED equipment (Stickels). 1991;17:275-6
Physician-authored articles challenged (Clark) (Letter); (Lenehan) (Reply). 1991;17:65-7
A process for subsidizing the Trauma Nursing Core Course (Crawford and Somes). 1991;17:191-2
Promoting a positive image of emergency nursing within the hospital (Miller). 1991;17:7
Pyridoxine is vitamin B_6, not vitamin B_{12} (Evans). 1991;17:128
Questions about hypothermia: speed of rewarming and use of microwave ovens to rewarm IV fluids (Berman) (Letter); (Michal) (Reply). 1991;17:68-9
Reader compiling information on time spent on sick-call coverage (Del-Plato). 1991;17:65
Reader suggests replacing JOURNAL's plastic covering (Hennessy) (Letter); (Smart) (Reply). 1991;17:65
Rethinking traditional thoughts (Martin). 1991;17:67-8
Rural ED staff also at risk (Encinias). 1991;17:271
Sexual Assault Nurse Examiners' services offered in many California counties (Arndt). 1991;17:190
Should there be a written policy on length of patient wait before discharge after administration of medications? (Driscoll) (Letter); (Lenehan) (Reply). 1991;17:190
Similar packaging for heparin, potassium chloride, and 1% lidocaine by one drug manufacturer causes concern (Hanisak) (Letter); (Shaw) (Reply). 1991;17:367-8
A 6-month-old paraplegic infant with spinal cord injury without radiologic abnormalities (SCIWORA) (Kinder). 1991;17:368-9
Systems for dealing with repeat patients sought (Taylor). 1991;17:129
Telling the patient about a terminal diagnosis: Is it the decision of the family or the ED staff? (Luciani-McGillivray). 1991;17:366-7
Thanks for help with charting dilemma (Buhr). 1991;17:6-7
Trauma Notebook column inspires efforts to change legislation (Hedgecoe). 1991;17:278
Trauma research assistant complains of male bashing (Talenti) (Letter); (Southard) (Reply); (Jezierski) (Reply). 1991;17:365
Usefulness of nursing diagnosis questioned (Dragotta). 1991;17:277
Violence in the emergency department: California's response to tragedy (Sweet). 1991;17:273-4

Life support care
Are health care providers satisfied with the current advanced cardiac life support course? (Brummer). 1991;17:19-23
One opinion on the importance of keeping the same advanced cardiac life support course for all providers (Brummer). 1991;17:4-5 (Guest editorial)

A look back
Cesarean section (Manley). 1991;17:442

Lyme disease
A 28-year-old man with weakness, dizziness, and sensation of bounding heart rate (Ferrara). 1991;17:180-2

M

Malpractice
Anything can happen! (George and Quattrone). 1991;17:241
Missed myocardial infarction: Violation of federal law? (Quattrone). 1991;17:40-2
Pediatric emergency department death (George and Quattrone). 1991;17:102-3
Poor emergency department record keeping may hamper legal defense (George and Quattrone). 1991;17:167

Mammography
Mammography compliance (Lanis). 1991;17:45-6

Managers ask and answer
Managers ask and answer. 1991;17:42-4, 103-6, 168-71, 242-3, 333-4, 417-8

Mandatory testing
Mandatory testing and disclosure of health care workers' HIV status offers patients little protection (Lenehan). 1991;17:355-6 (Editorial)

Memory
Mnemonics for cardiac care (Halpern). 1991;17:412-3

Methylfentanyl
3-Methylfentanyl street overdosage (Mollentine). 1991;17:330

Methylprednisolone
Administering methylprednisolone for acute spinal cord injuries (Halpern). 1991;17:37-40

Military families
The American Red Cross: a nursing-oriented overview of services (Hanson). 1991;17:390-4

Military nursing
The violence of war: a nurse veteran reflects (Jezierski). 1991;17:183-5

Mission Hospital
Comprehensive care by trauma nurse providers: Mission Hospital's ten-year experience (Songne and Holmquist). 1991;17:73-9

Mnemonics
Mnemonics for cardiac care (Halpern). 1991;17:412-3

***Mortality and Morbidity Weekly Report* file**
The MMWR file. 1991;17:45-6, 106-8, 171-2, 244-5, 335-6, 419-23

Motor vehicle accidents; *see* **Accidents, traffic**

Murder; *see* **Homicide**

Muscle contraction
A 57-year-old man with muscle spasms (Somerson). 1991;17:257-8

Muscles
Atraumatic rhabdomyolysis in a 20-year-old bodybuilder (Morocco). 1991;17:370-2

Myocardial infarction
Missed myocardial infarction: Violation of federal law? (Quattrone). 1991;17:40-2

N

Nausea
A 36-year-old woman with a three-week history of epigastric pain, nausea, and vomiting (Luciani-McGillivray). 1991;17:53-4

Near-hanging; *see* **Hanging**

Neck, injuries
A 3-year-old with spinal cord injury without radiographic abnormality (SCIWORA) (Athey). 1991;17:380-5

New Mexico Disaster Medical Assistance Team
Response of the New Mexico Disaster Medical Assistance Team in St. Croix after Hurricane Hugo (Lewis-Rakestraw). 1991; 17:162-4
Nurse anesthetists
Administration of intravenous conscious sedation in the emergency department (Gagnon). 1991;17:123 (Pres. message)
Nurse educator
Nurse educator. 1991;17:46-8, 108-11, 173-6, 246-9, 336-9, 424-6
Nursing, team
White House nurse (Jezierski). 1991;17:118-9
Nursing assessment
A geriatric nursing assessment form for the emergency department (Lukacs). 1991;17:86-9
Nursing care
What we do (Daniels). 1991;17:441-2
Nursing diagnosis
Nursing diagnosis: communication, impaired (Curry). 1991;17: 124 (Guest editorial)
Treating nursing's response to nursing diagnosis (Kirsch). 1991; 17:125-6 (Guest editorial)
Nursing specialities; *see* **Specialities, nursing**

O

Occupational safety
Occupational homicides among women (Danis). 1991;17:45
Ofloxacin
Ofloxacin for sexually transmitted diseases (Mollentine). 1991; 17:413-4
Oral rehydration therapy; *see* **Fluid therapy**
Orientation
An educational plan for the orientation of emergency nurses (Ramsberger). 1991;17:46-8
Overdose; *see also* **Poisoning**
3-Methylfentanyl street overdosage (Mollentine). 1991;17:330
Oximetry
Pulse oximetry: pearls and pitfalls (Harrahill). 1991;17:437-9

P

Pain measurement
Innovative assessment of children's pain (Mackey and Jordan-Marsh). 1991;17:250-1
Pap smear; *see* **Vaginal smears**
Paroxysmal supraventricular tachycardia; *see* **Tachycardia, supraventricular**
Patient care guidelines
Patient care guidelines. 1991;17:343-6, 431-6
Patient care outline
Creating a patient care outline: vaginal bleeding (Wachsmuth). 1991;17:343-6
Patient compliance
Mammography compliance (Danis). 1991;17:45-6
Patient education
Patient teaching in the emergency department: vaginal bleeding during early pregnancy (Stockman). 1991;17:424-6
Patient satisfaction; *see* **Consumer satisfaction**
Pediatric Committee
The Pediatric Committee: our dream is finally a reality (Thomas). 1991;17:358-9 (Guest editorial)
Pediatric update
Pediatric update. 1991;17:49-50, 112-3, 177-8, 250-1, 339-40, 427-8
Phenytoin
Phenytoin ineffective for prevention of recurrent alcohol-withdrawal seizures (Mollentine). 1991;17:414
Poisoning; *see also* **Overdose**
Digibind for digoxin intoxication (Mollentine). 1991;17:330-1
Diphenhydramine toxicity in pediatric patients with chickenpox (Mollentine). 1991;17:414
Postsplenectomy sepsis; *see* **Septicemia**
Preceptorship
Emergency nursing in a baccalaureate program that uses a clinical preceptorship approach (Purnell). 1991;17:246-9
Pregnancy
Cesarean section (Manley). 1991;17:442
A 19-year-old woman, four months' pregnant and with a history of headache (Caruso). 1991;17:439-40
Patient teaching in the emergency department: vaginal bleeding during early pregnancy (Stockman). 1991;17:424-6
Trauma in pregnancy: uterine rupture (Manley and Santanello). 1991;17:279-81
President's message
President's message. 1991;17:3, 63-4, 123, 189, 265, 357
Prisoners
An emergency department shooting of a prisoner/patient under guard: lessons learned (Cordell and Coughlin). 1991;17:310-2
Profiles
An open letter to emergency nurses from a survivor of a major head injury (Caballero). 1991;17:259-60
Suddenly, I am exposed: an emergency nurse's nightmare (Jezierski). 1991;17:351-2
The violence of war: a nurse veteran reflects (Jezierski). 1991; 17:183-5
On walking into walls and finding windows (Jezierski). 1991; 17:55-7
White House nurse (Jezierski). 1991;17:118-9
Psychology
How to deal with children in the emergency department (Thomas). 1991;17:49-50
Pulse oximetry; *see* **Oximetry**

Q

Quackery
A 39-year-old man with acute hemolytic crisis secondary to intravenous injection of hydrogen peroxide (Jordan et al). 1991; 17:8-10
Quality assurance, health care
Comprehensive quality assurance in a level II trauma center emergency department (Andrea and Gross). 1991;17:137-45
A two-part quality assurance project addressing infection rates of wounds sutured in the emergency department (Connell). 1991;17:212-4

R

Radiography
A 3-year-old with spinal cord injury without radiographic abnormality (SCIWORA) (Athey). 1991;17:380-5
Rape
Sexual Assault Nurse Examiners: a SANE way to care for rape victims (Lenehan). 1991;17:1-2 (Editorial)
Rattlesnake venom; *see* **Crotalid venoms**
Records
Development of a nursing process–based documentation system (Gross and Andrea). 1991;17:173-6
Forms, forms, and more forms (Phillips). 1991;17:415
A geriatric nursing assessment form for the emergency department (Lukacs). 1991;17:86-9
Poor emergency department record keeping may hamper legal defense (George and Quattrone). 1991;17:167
Red blood cells; *see* **Erythrocytes**

Red Cross
The American Red Cross: a nursing-oriented overview of services (Hanson). 1991;17:390-4
Red imported fire ants; *see* **Ants**
Refusal to treat
Pre-COBRA days (George and Quattrone). 1991;17:416
Rehydration therapy; *see* **Fluid therapy**
Renal failure
Exercise-related rhabdomyolysis and renal failure (Danis). 1991;17:171-2
Reports
Injury report available (Danis). 1991;17:335
Research
This JOURNAL needs more research (Lenehan). 1991;17:187-8 (Editorial)
Research abstracts
Research abstracts. 1991;17:50-2, 113-5, 252-4, 341-2, 428-31
Restraints, physical
Immobilizing children in car safety seats—why, when, and how (Widner-Kolberg). 1991;17:427
Improperly positioned passenger-restraint systems as associated mechanisms of injury in motor vehicular collisions (Turnes). 1991;17:373-9
Restraining potentially violent patients (Splawn). 1991;17:316-7
Violence in Philadelphia emergency departments reflects national trends (Blank and Mascitti-Mazur). 1991;17:318-21
Resuscitation
Resuscitation tapes and other strategies for pediatric cardiac arrests (Fredrickson). 1991;17:112-3
Rhabdomyolysis
Atraumatic rhabdomyolysis in a 20-year-old bodybuilder (Morocco). 1991;17:370-2
Exercise-related rhabdomyolysis and renal failure (Danis). 1991;17:171-2
Rural population
Rural trauma: the next trauma system challenge (Southard). 1991;17:346-8

S

Scientific Assembly
Oral presentations. 1991;17:428-31
Poster presentations. 1991;17:49-50
Research abstracts. 1991;17:113-5, 252-4, 341-2
Seat belts
Improperly positioned passenger-restraint systems as associated mechanisms of injury in motor vehicular collisions (Turnes). 1991;17:373-9
Security measures
An approach to the potentially violent patient (Bjorn). 1991;17:336-9
An emergency department shooting of a prisoner/patient under guard: lessons learned (Cordell and Coughlin). 1991;17:310-2
Dealing with violent patients in flight (Kennedy). 1991;17:295-8
A hospital-wide approach to crisis control: one inner-city hospital's experience (Martin et al). 1991;17:395-401
Hostage-situation policy statement for the emergency department (Powell). 1991;17:313-5
Notes on the "violence in the emergency department" theme issue (Lenehan). 1991;17:263-4 (Editorial)
Restraining potentially violent patients (Splawn). 1991;17:316-7
Suddenly, I am exposed: an emergency nurse's nightmare (Jezierski). 1991;17:351-2
Unusual incident: code orange (Weaver). 1991;17:354
Violence in the accident and emergency department: differences across the Atlantic (Hadfield). 1991;17:269-70 (Guest editorial)
Violence and assault: Part of the job? (Birkland). 1991;17:267-8 (Guest editorial)
Violence in the emergency department: asking the right questions (Glasson). 1991;17:266 (Guest editorial)
Violence in Philadelphia emergency departments reflects national trends (Blank and Mascitti-Mazur). 1991;17:318-21
Weapons in the emergency department (Oakley). 1991;17:326-9
Who will the heroes be? (Gagnon). 1991;17:265 (Pres. message)
Sedation, intravenous conscious; *see* **Hypnotics and sedatives**
Seizures
Phenytoin ineffective for prevention of recurrent alcohol-withdrawal seizures (Mollentine). 1991;17:414
Septic shock; *see* **Shock, septic**
Septicemia
Bacteremia associated with red blood cell transfusion (Danis). 1991;17:335
Postsplenectomy sepsis: a case review and one hospital's campaign to prevent other needless tragedies (Silcox et al). 1991;17:15-8
Serum sickness
Timber rattlesnake bite to the hand with secondary coagulopathy and serum sickness (Weaver et al). 1991;17:193-6
Sexual assault; *see* **Rape**
Sexual Assault Nurse Examiner
Sexual Assault Nurse Examiners: a SANE way to care for rape victims (Lenehan). 1991;17:1-2 (Editorial)
Sexually transmitted diseases
Ofloxacin for sexually transmitted diseases (Mollentine). 1991;17:413-4
Shock, septic
Postsplenectomy sepsis: a case review and one hospital's campaign to prevent other needless tragedies (Silcox et al). 1991;17:15-8
Shooting; *see* **Wounds, gunshot**
Snake bites
Timber rattlesnake bite to the hand with secondary coagulopathy and serum sickness (Weaver et al). 1991;17:193-6
Spasms
A 57-year-old man with muscle spasms (Somerson). 1991;17:257-8
Specialities, nursing
The leading edge of nursing specialty certification renewal programs (Nuccio). 1991;17:360-1 (Guest editorial)
Spinal cord injuries
Administering methylprednisolone for acute spinal cord injuries (Halpern). 1991;17:37-40
A 3-year-old with spinal cord injury without radiographic abnormality (SCIWORA) (Athey). 1991;17:380-5
Splenectomy
Postsplenectomy sepsis: a case review and one hospital's campaign to prevent other needless tragedies (Silcox et al). 1991;17:15-8
Splenic artery,
A 36-year-old woman with a three-week history of epigastric pain, nausea, and vomiting (Luciani-McGillivray). 1991;17:53-4
Strangulation
Near-hanging injury: two case studies and an overview (Brown and Espinosa). 1991;17:386-9
Stress
A qualitative investigation of the use of humor by emergency personnel as a strategy for coping with stress (Rosenberg). 1991;17:197-203
Substance abuse
A female patient with cocaine toxicity, acquired immune deficiency syndrome, and disseminated intravascular coagulopathy (Edwards). 1991;17:70-2

Substance Abuse—Cont'd
Illicit use of γ-hydroxybutyrate (Danis). 1991;17:172
3-Methylfentanyl street overdosage (Mollentine). 1991;17:330
Suicides
Near-hanging injury: two case studies and an overview (Brown and Espinosa). 1991;17:386-9
Surveys
A survey of emergency department triage in 185 hospitals: physical facilities, fast-track systems, patient-classification systems, waiting times, and qualification, training, and skills of triage personnel (Purnell). 1991;17:402-7
Trauma site survey: emergency department preparation (Southard). 1991;17:255-6
Sutures
A two-part quality assurance project addressing infection rates of wounds sutured in the emergency department (Connell). 1991;17:212-4
Syncope
Chest pain and syncope in a 47-year-old man (Worley). 1991;17:348-50

T

Tachycardia, supraventricular
A 21-year-old woman with rapid atrial fibrillation after adenosine administration (Meurer). 1991;17:135-6
A 49-year-old man with successful conversion of paroxysmal supraventricular tachycardia after adenosine administration (Gough and Gough). 1991;17:132-4
Technology, medical
Emergency nurses: knowledgeable participants in the medical equipment arena (Lenehan). 1991;17:61-2 (Editorial)
Tetanus
A 57-year-old man with muscle spasms (Somerson). 1991;17:257-8
Thyrotoxicosis
Diltiazem in the management of thyrotoxicosis (Mollentine). 1991;17:331
Ticks
A 28-year-old man with weakness, dizziness, and sensation of bounding heart rate (Ferrara). 1991;17:180-2
Timber rattlesna'te venom; *see* **Crotalid venoms**
Traffic accidents; *see* **Accidents, traffic**
Transportation of patients
Dealing with violent patients in flight (Kennedy). 1991;17:295-8
Trauma; *see* **Wounds and injuries**
Trauma centers
Comprehensive care by trauma nurse providers: Mission Hospital's ten-year experience (Songne and Holmquist). 1991;17:73-9
Comprehensive quality assurance in a level II trauma center emergency department (Andrea and Gross). 1991;17:137-45
The golden hour: trauma center standards in nontrauma-center emergency departments (George and Quattrone). 1991;17:332
Trauma site survey: emergency department preparation (Southard). 1991;17:255-6
Trauma notebook
Trauma notebook. 1991;17:178-80, 255-6, 346-8, 437-9
Triage
A survey of emergency department triage in 185 hospitals: physical facilities, fast-track systems, patient-classification systems, waiting times, and qualification, training, and skills of triage personnel (Purnell). 1991;17:402-7
Triage decisions
Triage decisions. 1991;17:53-4, 116-7, 180-2, 257-8, 348-50, 439-40
Tuberculosis
ED response to the increased incidence of tuberculosis (Danis). 1991;17:244-5

U

Uremia
Postsplenectomy sepsis: a case review and one hospital's campaign to prevent other needless tragedies (Silcox et al). 1991;17:15-8
Urticaria
Cimetidine for acute urticaria (Mollentine). 1991;17:330
Uterine rupture
Trauma in pregnancy: uterine rupture (Manley and Santanello). 1991;17:279-81

V

Vaccination
Haemophilus b conjugate vaccine (Danis). 1991;17:107-8
Postsplenectomy sepsis: a case review and one hospital's campaign to prevent other needless tragedies (Silcox et al). 1991;17:15-8
Reporting adverse vaccine events (Danis). 1991;17:106-7
Vaccine Adverse Event Reporting System
Reporting adverse vaccine events (Danis). 1991;17:106-7
Vaginal bleeding
Creating a patient care outline: vaginal bleeding (Wachsmuth). 1991;17:343-6
Patient teaching in the emergency department: vaginal bleeding during early pregnancy (Stockman). 1991;17:424-6
Vaginal smears
Forms, forms, and more forms (Phillips). 1991;17:415
Ventricular fibrillation
Ventricular fibrillation in a 2-month-old infant: a pediatric case study and review of lessons learned (Somes). 1991;17:215-9
Verbal abuse
The extent, nature, and response to victimization of emergency nurses in Pennsylvania (Mahoney). 1991;17:282-94
Vietnam
The violence of war: a nurse veteran reflects (Jezierski). 1991;17:183-5
Violence
An approach to the potentially violent patient (Bjorn). 1991;17:336-9
An emergency department shooting of a prisoner/patient under guard: lessons learned (Cordell and Coughlin). 1991;17:310-2
Blaming the victim: complex (nonlinear) patterns of causal attribution by nurses in response to vignettes of a patient assaulting a nurse (Lanza and Carifio). 1991;17:299-309
Dealing with violent patients in flight (Kennedy). 1991;17:295-8
The extent, nature, and response to victimization of emergency nurses in Pennsylvania (Mahoney). 1991;17:282-94
A hospital-wide approach to crisis control: one inner-city hospital's experience (Martin et al). 1991;17:395-401
Hostage-situation policy statement for the emergency department (Powell). 1991;17:313-5
Intimate assaults (Danis). 1991;17:45
Notes on the "violence in the emergency department" theme issue (Lenehan). 1991;17:263-4 (Editorial)
Occupational homicides among women (Danis). 1991;17:45
Restraining potentially violent patients (Splawn). 1991;17:316-7
risk (risk), n. hazard; danger; peril; exposure to harm (Mitchum). 1991;17:353
Sexual Assault Nurse Examiners: a SANE way to care for rape victims (Lenehan). 1991;17:1-2 (Editorial)
Suddenly, I am exposed: an emergency nurse's nightmare (Jezierski). 1991;17:351-2
Unusual incident: code orange (Weaver). 1991;17:354
Violence in the accident and emergency department: differences across the Atlantic (Hadfield). 1991;17:269-70 (Guest editorial)

Violence—Cont'd
Violence and assault: Part of the job? (Birkland). 1991;17:267-8 (Guest editorial)
Violence in the emergency department: asking the right questions (Glasson). 1991;17:266 (Guest editorial)
Violence in a pediatric emergency department: lessons learned from one experience (Spittler). 1991;17:339-40
Violence in Philadelphia emergency departments reflects national trends (Blank and Mascitti-Mazur). 1991;17:318-21
Weapons in the emergency department (Oakley). 1991;17:326-9
Who will the heroes be? (Gagnon). 1991;17:265 (Pres. message)
Visual acuity
Visual acuity testing (Neff). 1991;17:431-6
Vomiting
